

Dear Parent / Guardian

Trespassing on the railway network is extremely dangerous and endangers not only the lives of those on the track, but also passengers, railway staff and the general public.

Many people - especially young people - fail to understand the danger they put themselves and others in, when they make the choice to stray onto the rail network.

As summertime approaches, we are already seeing an increase in the number of incidents being reported.

Incidents we're seeing involve children and young people:

- Hanging around on station platforms and crossing the tracks.
- Walking along the railway lines.
- Throwing stones at trains.
- Placing objects on the railway lines.
- Using the railway as a playground.

I am sure you agree that all of the above activities are extremely dangerous.

The British Transport Police and Network Rail are seeking the support of parents and guardians to highlight the danger and implications of these activities to help us reduce the number of young people putting themselves and others at significant risk.

To assist with the conversation there are a number of online videos available and range depending on the age group of your child.
