Our vision and values

Our vision for Glossopdale School is very simple - to aspire, endeavour and thrive together.

We aim to deliver this through an understanding of what is expected of each and every one of us - staff and students. We achieve this as a staff body through good communication, clear expectation and working together.

We inspire the students to understand and personally act on our vision by breaking this down into a clear message. We feel these values are encapsulated by the acronym THRIVE. Each of the letters stand for a character trait we want to see our students develop during their time at Glossopdale School.

T	H	R	I	V	E
Tenacity	Hard Work	Responsibility	Independence	Visionary	Excellence

We are able to use this in all our interactions with our students to help them build the skills and traits to enable them to aim high and achieve their potential. We firmly believe that strength of character is the fundamental cornerstone of academic success.

Our students

As a new school where all age groups are together we expect everyone to make a contribution.

Students readily volunteer to represent our school in many ways: welcoming visitors; outreach work with local primary schools; work experience; voluntary and charitable work and much more. Everyone has something to offer and we celebrate our students' generosity, maturity and willingness to help.

Students are encouraged to aim high—in their work, conduct, attendance, punctuality and dress. We expect them to achieve their best and to take responsibility for their own learning, working independently and collaboratively. We aim to meet our learners' needs in a rich and varied way.

We listen to the student voice and we encourage them to become involved in the work of the school. The health and well-being of our students is important and we endeavour to support their emotional, social and moral development to enable them to flourish. Working with a range of professionals, we listen to and guide young people throughout this time in their lives.

We are very proud of our school community and expect our students and their families to join with us in this pride and embrace our values and aspirations for all.

Our staff

We are exceptionally proud of our staff and the dedication they display every day to support our students to reach their potential. Whether a member of our Leadership Team, Teaching Staff or Support Team – all have a vital role to play in providing an environment where all can achieve.

New Staff joining us will have a full induction and will be paired up with an existing member of staff to support them in their first few months of employment. The induction process is for all staff and is tailored to the needs of each individual. New teachers at the start of their teaching career are well supported through the ECT and RQT process and we are pleased that many staff have stayed with us throughout their teaching careers, enhancing their skills and developing their pedagogy through our ongoing training offer.

Staff Wellbeing is a priority for us as we aim to support all of our staff to enable them to support all of our students. The headteacher takes the lead for this area and the need to manage workload and work smarter is a key focus. Student and Staff Committees focus on welfare and wellbeing for all, with further external specialist guidance and support provided by The TRUE Learning Partnership

Our curriculum

The quality of teaching and learning is our priority. We want our students to gain satisfaction through hard work and engagement with their studies. We know that a determined focus on excellent progress and grades will take them to Post-16, University and beyond.

We have a flexible personalised curriculum which provides for the needs of all our students. Traditional GCSE subjects in English, Maths, Sciences, Humanities, Languages, Arts and Technology sit side by side with some more vocational and technical courses in Sport, Performance, Social Sciences, Business and Catering. Targets are set and progress is closely monitored.

Year 7 to 9 students follow a core curriculum. This includes: English, Mathematics, Science, Technology, Humanities, Art, Music, Dance, Drama, Computer Science, Physical Education and a language.

In Year 10 and 11 students have the opportunity to design a curriculum matching their interests and skills. Those who are especially talented in one or several areas may have the chance to accelerate their learning. Students can choose purely academic pathways or routes that are work related, such as Design Technology & Catering as well as a range of BTEC subjects such as Sport, Business studies and Health and Social care.

The curriculum is designed to give every student the best possible chance of leaving Glossopdale School with strong qualifications and high aspirations.

Across all subjects, we want students to be excited and enthused, to express themselves confidently and eloquently and to rigorously expect the best academic standards of themselves.

Future goals and aspirations are supported through this programme to ensure that all staff are able to develop and achieve their own personal goals.

Staff wellbeing and providing a positive and healthy working environment is a key priority for us, as supporting all of our staff enables them to support all of our students. Our Director of Health and Wellbeing leads this key area working with senior staff across the multi academy trust. We are very pleased that our commitment to staff wellbeing has been recognised by the Valued Worker scheme which offers accreditation to workplaces where staff feel valued.

We are also committed to supporting mental health in the workplace by training a number of teaching and support staff across our Trust to be Mental Health First Aiders and through our work with the Time to Change programme which aims to end mental health discrimination in the workplace.
