

Please see below a summary of helpful information for this week.

Y6 Open Evening:

The whole school community enjoyed a fantastic evening yesterday as we opened our doors once again to Year 5 and 6 children and their families who came to find out more about what we have to offer for September 2023. Thank you to all of the students, staff and visitors for making the evening truly special - and very busy! We know that some parents may not have been able to attend so you are able to go to our website to see Mrs. McGloin's presentation here:

[Glossopdale Open Evening 2022](#)

We have some films from our previous virtual Open Evenings that you can view. You can also go to our Facebook page to see images of all the exciting activities our current and future students got involved with.

Sixth Form Open Evening:

This will take place on Tuesday 11th October from 5.30 to 7.45pm. Students have selected the subject talks they wish to attend and individual timetables will be given out nearer the time. If students were not in Monday's assembly and would like to attend, or wish to change their original choices, they can do so via the online form [here](#)

Extra-curricular timetable

Glossopdale School & Sixth Form offer a vibrant programme of extra-curricular activities; a choice of clubs most evenings of the week. All our clubs are fully inclusive, and all are free of charge. Click here for details of our extra-curricular offer and the timetable of clubs for the Autumn term:

<https://www.glossopdale.derbyshire.sch.uk/-Curriculum/Extra-Curricular/>

We are always happy to hear from Parents or Community Members who would like to pass on their own interests by running a club. In the first instance please contact koliver@glossopdale.school

KS4 Parents' Information Evening:

Our Y10 and 11 Parents' Information Evening will take place on Thursday 6th October from 6.00-7.15pm. Parents will be given information about GCSE courses, exams in 2023 and beyond, study support advice, core subjects' curriculum content, future pathways and the opportunities for Sixth Form study, as well as an outline of leadership and enrichment opportunities. If you would like to attend this event please sign up [here](#)

Hadfield Community Survey - Cost of Living Crisis

Natalie Hackett, the Minister at our local Hadfield Methodist Church is canvassing opinions of parents with regard to their needs in this current climate. She recently hosted a community meeting for the residents, churches, businesses, volunteer organisations and support networks to come together and discuss their response to the Cost of Living Crisis this winter. As part of these discussions they have put together a survey for local residents to consider answering, which may tell them more about what they need and want over the next few months. Please could you take the time to click on the link below and complete this short on-line survey to assist with her project.

Sixth Form Culture Trip to Liverpool

On Wednesday 12th October, and as part of our Sixth Form Thrive Day embracing cultural appreciation, we are taking our 6th Form students to visit The Museum of Liverpool and Albert Dock. The museum offers a range of social and community exhibitions of local, national and international importance, ranging from music to modern day slavery. Students will also have the opportunity to visit the Maritime Museum, Tate Museum, the International Slavery Museum and the Beatles Museum on this day.
